AQUACLEAN - DELIGARD - EASYCLEAN - EFFICIENCY - FIBERGUARD - WATERWASH

Latest stain free technologies to ensure long lasting, low maintenance easy to clean fabrics.These treatments cover every fibre with an invisible molecular layer that prevents dirt from penetrating the fabric. Majority of household stains can be removed using water only. Stubborn stains may require a small amount of household soap. Alcohol and other solvents degrade the fibers and negatively affect the useful life of upholstered furniture.

Fabric restriction		Remarks about leather
Dakota, Florida	Unavailable with the following fabrics: Belvedere, Bristol, Byblos, Cliff, Conrad, Eclipse, Fouquet's, Peak, Peyton, Ritz, Rubens, Saint James, Universe.	100% ANILINE leather : leather that reveals all the hide's natural characteristics of the skin (wrinkles, scars, uneven grain ...). These are proof of authenticity and guarantee a natural effect and a soft touch. This leather is dyed and does not undergo a very superficial treatment to prevent it from being dirty. Leather calculation : 1m fabric = Sq m. 2 leather
